**ALLSTAR Electrical Services'** Commercial Services Division provides ongoing, year-round maintenance for multi-family HOAs, retail centers and commercial property owners and property managers. Proactive and regular check-ups can save owners considerable operations costs. That's a savings that HOA managers and property managers are proud to pass along to their clients, ensuring client retention and satisfaction.

Our Commercial Services Division performs indoor and outdoor electrical maintenance including bucket truck services and parking lot lighting maintenance.

SERVING THE ENTIRE DENVER METRO AREA  
LOCALLY OWNED AND OPERATED
